Why should you join CRESCO ?

- FOCUSED and MENTOR-LED training provider
- BREAK-N-FIX approach for Practical Hands-on-Experience
- Get trained while working on LIVE PROJECTS
- Possibility to work on Multiple Project Implementation
- Get an additional "Certificate of Appreciation" as a recognition of your contribution

It's time to ask yourself. **Are you really concerned about these key factors?** If YES, **Join CRESCO.**

What is in the background of CRESCO SOLUTION?

CRESCO SOLUTION is affiliated with innovative and established IT firms that makes it possible to provide an opportunity to you to work with live projects of domestic and global level that not only add values to your skill set but also provide you an exposure of working in industry environment.

Does CRESCO provide a job?

CRESCO's key objective is to train learners who are aspiring to become successful in specific fields with practical exposure.

And yes, If the performance of a learner (student) is comparatively good, CRESCO provides a placement opportunity to such candidates to join the group company with which CRESCO is affiliated

At the same time, CRESCO is associated with many other companies; therefore, all the candidates will be given an opportunity in terms of Placement Assistance

What kind of Placement Assistance does CRESCO extend to students?

- A series of sessions on soft-skills are conducted on regular frequencies by highly skilled working professionals
- Technical skills are also conducted on regular frequencies by our Technical team who have 10+ years of experience in MNCs

Facilities you will have:

- Conference room for Training
- Periodic Presentations
- Free resource materials (in soft-copy)
- High speed Internet access
- Online self-assessment test for each module
- Group discussions/ Live Debate
- Interactive environment
- Picnic/Social gathering
